RE: Public Disclosure Request # P2013-850

Dear Mr. Phil Mocek,

This letter is in response to your public disclosure request dated March 18, 2013 and received by the Seattle Police Department's Public Disclosure Unit on March 18, 2013 for SPD Public Disclosure Legal Log for 2013. We still need additional time to research and respond to your request. We anticipate a response to your request on or about April 26, 2013.

This additional time is used to research this request, collect responsive records, and/or prepare records for dissemination. Please note: Seattle Police Department currently receives approximately 4,000 public disclosure requests annually. The current volume of Public Disclosure Requests combined with SPD staffing and City-wide budget cuts requires this additional time.

If you have any questions, please contact the Public Disclosure Desk at 206-684-5481.

Sincerely,

John Diaz  
Chief of Police

To Whom It May Concern:

Pursuant to RCW Ch. 42.56 (Public Records Act), I hereby request the following records:

Seattle Police Department's Public Disclosure Legal Log, current to the date of processing of my request. If this record exists in electronic form, I request that you not create a new record for me (e.g., by printing your electronic record then scanning it to make a series of images of the printed data) but provide the electronic record itself.

I also request that, if appropriate, fees be waived as I believe this request is in the public interest. The requested documents will be made available to the general public free of charge as part of the public information service at MuckRock.com, processed by a

representative of the news media/press and is made in the process of news gathering and not for commercial usage.

In the event that fees cannot be waived, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 5 business days, as the statute requires.

Sincerely,

Phil Mocek
